PANNI, FOGGIA FESTIVITIES IN THE MONTH OF AUGUST

PRESIDENT'S MESSAGE

I would like to welcome everyone, who now are members of our society. Your involvement and contributions is greatly appreciated by this organization and our ancestors. We had a tuff job to get an organization off the ground with limited finances and members. I can say now that we have made past those challenges

Our membership is now at about 25 and we have sufficient finances to operate.

What we really need is help within our organization. We will be having our first meeting in **November 4th** and all members will be asked to attend. All members will be sworn in and given their certificates and bylaws. Members will also be ask to sign up to participate as well.

This society has taken off with big events like the visit from the Assistant Mayor OF Panni and our Italian heritage night. Many people attended these events and all were very excited about what was happening with our society.

So now, we will move forward and try and focus on our future plans. Some definite plans include Italian language class in January and a trip to Panni in August of 2014.

See you all at our next event , marching in the Columbus Day Parade together. This is were we show the public what we stand for in our community.

Thank You

Joseph Spremulli
President

**OUR FIRST MEETING IS MONDAY, NOVEMBER 4, 2013
AT 7:00PM AT THE YPSC HEADQUARTERS, 187
POCASSET AVENUE, PROVIDENCE, RI 02909**

Vice President Louis Spermuli Visits Panni Foggia Italy

“VIVA PANNI”

The Pannese Society Facebook Page Goes Live

The Facebook page is not only active but has attracted the likes of people not only from Southern New England but from Montreal and Italy. Please visit it and “Like” it. If you know of younger people on facebook who are pannese please tell them to look at the page. It will be growing and changing allowing smoother ways to connect with people from all over and to keep current with the happenings of Panni Italy. Its also a great way to see peoples pictures of Panni and south eastern Italy.

The Family Tree, Geneology & Dual Citizenship

As we the Pannese society makes steps into this new modern era we look forward on building a family tree from not only using members information but from using means such as ancestry.com, other online databases, and church and state archives.

This history is not only a way to keep family history alive but a great way if any family member wanted to reinstate their families Italian citizenship.

Pannese Society Hits the Papers

If you are not aware the Pannese Society has been not only mentioned in the Johnston Sun and in the Rhode Island Echo but we are also given the opportunity to publish our own articles. Due to time constraints and limited finances a reasonable timeframe for articles will be quarterly which will run along with the quarterly news letter that will be going out to members.

FIRST CULTURAL EVENT

We were so happy for the turnout at our cultural event at Ciara Restaurant in Johnston RI. So many people made connections and returned calls of how much they learned about **Panni.** Our next step is to build our society with people of **Pannese Decent.** Please get the word out and ask your family and friends to log onto our website to learn about our Society.

Presently we have increased our membership to about **25 Pannese Members** and some from other parts of the United States. See, this society will operate primarily from the internet and will allow **Pannese** to join from all over the world. We have a mission statement, as you can read on our letterhead. Right now, we are only accepting applications for men, but once we get our house in order, women will be considered for membership. All our decisions will be based on our bylaws and voted on by the administration.

Also please consider advertising with us. We need funding to operate. Your support would greatly be appreciated. Remember, it is up to us to keep the Pannese Spirit alive for our ancestors, who came to this country with nothing and gave us our life here

MOST RECENT NEWS

On Wednesday, 9-18, a meeting was held at the Young Pannese Social Club organized by th Italian Consulate of Providence, Debra Del Sesto. Our society was their to be part of trying to bring together all the Italian organizations in Rhode Island. Debra introduced her boss from Boston, who managed this region.

There first concerns were the upcoming parade and events for October. They had many events to report and wanted input . from all who attended. The teaching of Italian language seemed to be the main concern.

The group formed a small committee to put together a newsletter before the next meeting. This would be a start to notify members and make them aware of any events in the future.
